

Dear St. Matthew Parishioners,

An up-to-date registry of parishioners and their contact information is of great help to the parish clergy and staff. I ask that you kindly examine the form below, and return it to the Parish Office with your updated information. If you live within our parish boundaries (please call the Parish Office if in doubt) and have not yet registered at St. Matthew's, parish registration packets are available in the vestibule of the church.

Thank you,
Fr. Eversole
